- Advanced console style controller with 8 way direction buttons

6th August, 2015: QHMPL, India's leading frontrunner in consumer electronics & high-quality IT peripherals, under the brand 'Quantum Hi-Tech' with its unfailing commitment to *highest standards of quality at most affordable prices*, announces the launch of QHM 7487 - 2V USB Game Pad ergonomically designed for comfortable control and advanced dual shock Vibrate functions matched with powerful Double Vibration feedback for non- stop Gaming. So now enjoy the reel action with every hit, crash and explosion in every game that you play!

Priced at Rs. 475/-QHM 7487 - 2V USB is crafted for a console like control experience with traditional design, the Gamepad fits like a glove.

Embodied with 8 ways direction buttons which fits perfectly in your fingers and backed with LED indicator of Turbo and auto mode buttons the Gamepad acts apt for action or shooting games. For better control in action games the device is also built in with 2-3D joystick buttons, so mimicking your favourite action hero while playing your favourite game becomes easier.

For added gaming benefits, it also encompasses fire buttons + slow buttons and is packed with individual controls which gives you ease while selecting any other options instead of clicking on the same button for different options.

Available in Red, Blue, Yellow & White colour, the QHM 7487 is ergonomically designed with smooth curves and conjured rubber grips, making it more comfortable and easy on hands for longer playing sessions.

The gaming pad is compatible with 2000/Windows® XP, Windows Vista® or Windows® 7 or Windows® 8 and is tagged with 1 year warranty which is available across leading ecommerce portals and retail stores.
